Subject: RE: NARMS & ARRA money

While in theory we can do this...I think the practical application will be encumber until 6/30/10, re-encumber for FY11...etc.

Yes, that is the case.

Subject: RE: NARMS & ARRA money

Hi Gary:

I just spoke with Peter. Can you confirm that I understand correctly that we just need to encumber the money now, but that we can spend it up until 12/31/11? If that is the case, Peter can encumber \$5000 to be spent by 12/31/11, and Tracy can encumber \$2000 to be spent by 12/31/11. Can you reply all with your reply? I'm heading out!

Thanks,
Linda

For ARRA money: Can you put \$2000 in PFGE, \$5000 in reference?

For NARMS money: Can you put \$5000 in FF, and \$2000 in JJ?

Thanks,
Linda

Hi, Linda—

Anne said that you do have \$7,000 in NARMS on [REDACTED] It's now in JJ for courier but you can move some of it to FF if you want. A little has to remain in JJ, though. How much do you want to move?

Also Anne said that the ARRA money (\$2,000 for Neisseria and \$5,000 for Haemophilus) should be encumbered ASAP. Word on the street is that the government might start taking some back. Apparently Obama called Patrick and said to encumber fast so it can't disappear. What unit code should this go into?
